

NEW Tandem Buggy

– With either a baby carrier, or a toddler seat, attached to the rear, the **Tandem Buggy** provides that longed for travel solution for a parent needing transportation of two children, one with medium to high level postural support needs.

The system utilises The all successful Tom Cross Country Seating Units for the front position which caters for special needs users of approx 2 – 8 years.

**Now successfully Crash Tested
with one special needs occupant only**
